# The documents you will receive from us

## Financial Services Guide

This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you
- how we and our associates are paid and any other benefits we may receive
- any potential conflicts of interest we may have
- how we protect your privacy and handle your personal information
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. And of course, if you ever have any questions, please contact us.

## Other documents you may receive

In addition to this Financial Services Guide, when we provide you financial advice we will also present you with a written Statement of Advice (SOA).

This will describe the strategies, products and services we recommend and outline any fees or commissions we will receive and any associations we have with financial product providers or other parties that have not already been disclosed in this Financial Services Guide.

If you receive further financial advice from us, we will present you with either another Statement of Advice or keep our own written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided.

We will also provide you with a Product Disclosure Statement (PDS) or offer document for all financial products we recommend, where applicable, to help you make informed decisions.

## Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us.

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method agreed with us.

# How you can pay for our services

You can pay for the services you receive on a fee for advice basis. This allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based upon:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- by direct invoice from us for initial and ongoing advice;
- via commission we may receive from a financial product provider when you commence an insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time.

### **Other payments we may receive**

We will provide you with details of all fees, commissions or other benefits we may receive when we provide advice to you and, where possible, will give actual dollar amounts. If we cannot provide this accurately, we will provide worked-dollar examples.

Even if you don't receive personal financial advice from us, you can still request the details of any fees, commissions or other benefits we receive in relation to any other financial service we provide you.

### **Benefits we may receive**

Sometimes in the process of providing advice, we may receive benefits from product providers.

### **Conferences**

We may attend conferences and professional development seminars that have a genuine education or training purpose. MLC Financial Planning, or our employer, may pay for the costs of our travel and accommodation, and events and functions held in conjunction with the conference or seminar.

### **Non-monetary benefits**

We keep a register detailing certain non-monetary benefits that we receive e.g. benefits valued between \$100 and \$300, and those that relate to genuine education or training and technology software or support.

You can view an extract of the register by contacting us. Please be aware that MLC Financial Planning may charge you for the cost of providing this information to you.

### **Commissions received by our Licensee from product providers**

MLC Financial Planning has ongoing commission arrangements with a number of risk insurance providers. Where you acquire a risk insurance policy issued by AIA, Zurich, Colonial First State One Path and Macquarie the insurer may pay GWM Adviser Services a commission payment which based on total in-force premium and lapse rates for risk insurance policies recommended by all advisers within GWM Adviser Services adviser network. The payments received by MLC Financial Planning may be up to 2% of the premium amounts paid by policy holders to the relevant insurer. As this amount is calculated in the future, we cannot provide an exact amount at this time; however, as an example, if as a result of services provided to you by MLC Financial Planning, a participating insurance provider receives \$5,000 in premium, then MLC Financial Planning will receive up to \$100 as a commission (2% of the premiums held).

The above payments are not shared with your adviser. These payments do not represent an additional charge to you and your adviser will disclose in your Statement of Advice insurance products for which these arrangements may apply.

### **Referrals**

If you have been referred to us or we refer you to someone else, we may have arrangements in place to or receive a referral fee, commission, or other benefit.

Details of any arrangement will be provided in our advice to you.
